

Med popolno zaporo slovensko-avstrijskega avtocestnega predora Karavanke bo obvoz za tovorna vozila po avtocesti čez Videm (I) ali Gradec (A), medtem ko bo obvoz čez Korensko sedlo dovoljen samo za osebna vozila. Ta bodo lahko uporabila tudi obvoz čez Ljubelj, za počitniške prikolice in avtodome pa priporočamo prehod Rateče.

Druga, zadnja faza del je načrtovana v februarju in marcu 2015.

During the complete closure of the Slovenian and Austrian Karavanke Motorway Tunnel, freight vehicles will be redirected to the motorway through Udine (I) or Graz (A); the diversion through Korensko sedlo (Wurzenpass/A) will only be open for passenger cars. They may also take Ljubelj border crossing (Loiblpass/A), while caravans and mobile homes are advised to take the Rateče border crossing (direction Jesenice-Kranjska Gora-Tarvisio/I).

The second and last phase is planned for February and March of 2015.

### Legenda:

Key:

Predor odprt

Tunnel open

Čez dan polovična zapora z izmenjavo smeri na 30 minut, ponoči popolna zapora predora med 20.00 in 5.00

Partial closure during the day with directions changing every 30 minutes; complete night-time closure of the tunnel between 8 p.m. and 5 a.m.

Polovična zapora z izmenjavo smeri na 30 minut

Partial closure with directions changing every 30 minutes

Čez dan polovična zapora z izmenjavo smeri na 30 min., ponoči popolna zapora predora med 23.00 in 4.30

Closure during the day with directions changing every 30 minutes; complete night-time closure of the tunnel between 11 p.m. and 4.30 a.m.

Izvajalci del bodo v predoru Karavanke na avtocesti A2 s 15. septembrom 2014 nadaljevali zadnjo fazo sanacije talnega oboka na slovenski strani predora, obenem pa bodo začeli dela za nadgraditev prezračevalnega sistema v celotnem predoru. Zaradi del bodo potrebne tako delne kot popolne zapore predora:

- 15. 9. (od 8.00)-19. 9. (do 8.00): polovična zapora čez dan (izmenjava smeri na 30 min) in popolna nočna zapora od 20.00 do 5.00;
- 19. 9. (od 8.00)-22. 9 (do 8.00): predor odprt;
- 22. 9. (od 8.00)-26. 9. (do 5.00): polovična zapora čez dan (izmenjava smeri na 30 min) in popolna nočna zapora od 20.00 do 5.00;
- 26. 9. (od 5.00)-29. 9. (do 8.00): polovična zapora (izmenjava smeri na 30 min);
- 29. 9. (od 8.00)-1. 10. (do 5.00): polovična zapora čez dan (izmenjava smeri na 30 min) in popolna nočna zapora od 20.00 do 5.00;
- 1. 10. (od 5.00)-19. 12. (do 8.00): polovična zapora čez dan (izmenjava smeri na 30 min) dan in popolna nočna zapora od 23.00 do 4.30.

Starting on 15 September 2014, the contractors will carry out the last phase of the remedial works on the invert located on the Slovene side of the Karavanke Tunnel on the A2 Motorway. At the same time, they will start making upgrades to the ventilation system throughout the tunnel. The work will require the partial and complete closures of the tunnel:

- 15 September (from 8 a.m.) - 19 September (until 8 a.m.): Partial closure throughout the day (directions change every 30 min.) and complete night-time closure from 8 p.m. to 5 a.m.;
- 19 September (from 8 a.m.) - 22 September (until 8 a.m.): Tunnel open;
- 22 September (from 8 a.m.) - 26 September (until 5 a.m.): Partial closure throughout the day (directions change every 30 min.) and complete night-time closure from 8 p.m. to 5 a.m.;
- 26 September (from 5 a.m.) - 29 September (until 8 a.m.): Partial closure (directions change every 30 min.);
- 29 September (from 8 a.m.) - 1 October (until 5 a.m.): Partial closure throughout the day (directions change every 30 min.) and complete night-time closure from 8 p.m. to 5 a.m.;
- 1 October (from 5 a.m.) - 19 December (until 8 a.m.): Partial closure throughout the day (directions change every 30 min.) and complete night-time closure from 11 p.m. to 4.30 a.m.
